

'fun and sun' at Reeves Elem.

Special to the Times

Little River Farms Neighborhood Association held their annual "Day of Fun and Togetherness" at the Henry E. S. Reeves Elementary School on Saturday. Reeves Elementary has earned a double "A" under the Governor's *A Plus Assistance Plan* and is an "Academy of Applied Technology" magnet school under the leadership and guidance of Principal Julian E. Gibbs.

The "Day of Fun" was a success as many of the neighborhood members came out to enjoy the free food, music and activities that were held on the school grounds. The Day of Fun and Togetherness was held to celebrate the success of the neighborhood and to also encourage others to become active within the neighborhood association.

The Little River Farms Neighborhood Association was estab-

lished in 1984 with a mission to promote the safety and well being of families in the Little River Farms Community, which extends from: North to 119th Street; South to 103rd Street; between 22nd Avenue and 17th Avenue. The association meets at 7 p.m. on the last Tuesday of each month with the exception of March, June, July and December at Henry E. S. Reeves Elementary School, which is located at 2005 N.W. 111th Street

This is a prime location as many of the community members have either attended or currently have family members that are enrolled in the school. Present at the meetings are representatives from the Metro-Dade Police Department (Crime Watch), the District 2 Commissioner's Office and members of the School's administrative staff. Here all of the stakeholders come together to voice their concerns and render their sug-

gestions as to how the neighborhood can continue to be considered as one of the safest neighborhoods in Miami-Dade County.

If you currently reside in the boundary areas, The Little River Farms Neighborhood Association, Inc. invites you to come out and be a part of the association. Your support and participation in this community will further assist the association in providing a safe environment to live, play, and enjoy.
